Driving from Málaga airport

Driving from Málaga airport to La Vista takes around an hour. If you're using a sat-nav/google maps, then input Plaza del Carmen or Plaza Vendimia. If a postal code is required Cómputa is 29754).

The first part is on the motorway, the second winds its way up and through the mountains (this is a two-way, metalled, modern road.) When you reach Cómputa you can park in either Plaza del Carmen/Av. de Nerja or in Plaza Vendimia. It's a few minutes' walk from either. Your sat-nav/google maps might try and bring you through the village to La Vista. This cannot be done as the streets are too narrow.

From the airport take the MA21 towards Málaga/Almería, this will then merge with the MA20 towards Almería. After about 5km's the road joins the A7 towards Almería.
